

Trent Barnes
Associate Director, Stadium Complex Manager, SACVM
UNC Charlotte

Trent Barnes has earned undergraduate and masters degrees in Sport and Entertainment Management from the University of South Carolina. During his time as a graduate student Trent worked in Event Management for the University of South Carolina Athletics Department. After two years with South Carolina Athletics, he accepted a position at the University of Alabama as the Assistant Director of Events. While at Alabama for 5 years, he managed athletic events and their growing facility rental operations.

In 2011 a position opened up at South Carolina and Trent returned to the University of South Carolina Athletics Department as an Assistant Director of Events. As UNC Charlotte moved forward with the startup of their football program eventually a position became available for the Associate Director, Stadium Complex Manager for Jerry Richardson Stadium and the Judy Rose Football Center. Trent accepted this position just a month before the stadium opened in 2012 and is currently serving in the same position, which oversees the daily facility, maintenance, and cleaning of the Stadium Complex along with overseeing all gameday and event operations. UNC Charlotte has just completed their third season and first in Conference USA.
